

PLANET GREEN UCP EARTHCARE AND FUNDRAISER INITIATIVE

EMAIL TEMPLATE TO SEND TO YOUR FRIENDS AND NEIGHBORS

(Just copy and paste into an email and send to everyone you know!) ☺

Dear neighbors [or friends or colleagues depending on the group you are sharing this message with],

I'm heading up a recycling initiative at my spiritual community that raises funds for our children and youth and would love to take your used printer cartridges off your hands! Would you be willing to collect your printer cartridges and text me at [add your number] when you have at least 5 cartridges for me to pick up?

Or you can just drop off however many cartridges you want to and hang them in a bag from our mailbox or put them on the gray table on our front porch at [add your home or office address].

Every printer cartridge you donate stays out of the landfills and brings \$1 to \$2 to support our interfaith youth program that is focused on kindness and positivity.

Also, when you ORDER cartridges using this link, 10% of your total order comes back to the non-profit, Unity Center of Peace, to be used for youth and other community programs. I always order remanufactured and new ink cartridges here because the prices are better than Amazon, plus 10% goes back to the nonprofit. Here's the info you need:

Planet Green Recycle offers the largest selection of U.S. remanufactured and name branded OEM surplus printer cartridges on the market. Each time someone makes a purchase of ink or toner at www.PlanetGreenRecycle.com and adds your **Program ID 32711** next to their first name when checking out, **Planet Green** contributes 10% of the total purchase back to your organization.

I really appreciate your help! Again, just text me at [add your number] when you have 5 or more cartridges for me to pick up from you, or you can hang them in a bag from our mailbox or put them on the gray table on our porch.

Thanks for your help doing good for the planet and for our kids and youth!!
